Climate and Weather

Nepal has a monsoonal two season year with the dry season from October to May and the wet season (monsoon) from June to September. From end September/start October to end November is one of the best times to visit. The vegetation is lush after the rains of the monsoon and the air is clean and fresh. The next best time to visit is February to April at the end of the dry season. It can be a little dusty at this time but the weather is warm and pleasant and it's a great time to see many wildflowers in bloom. December and January are still good in terms of climate and visibility but can be chilly particularly at higher altitudes as well as in the evening in Kathmandu. May and early June can be very hot and uncomfortable and mid June to September can be cloudy with poor visibility and muddy trails although some treks (rainshadow treks) can still be undertaken even during the monsoon.

Between October and November are some of the best times to visit Bhutan, particularly from late September to the end of November which are ideal for trekking and travel in general with warm days

and clear skies. In spring from the end of March to the end of April the rhododendrons are wonderful as they colour the mountain sides throughout the Kingdom and the days are warm but nights are still cold.

Clothing and Equipment

Generally lightweight to medium weight clothing in natural fabrics is best with warm clothing a must for the evenings and in spring and winter. It's also useful to wear several layers of clothing as temperatures can change suddenly. We also suggest you take comfortable walking shoes and a small day pack or shoulder bag. In the mountains and at high altitude the weather can change rapidly so it is important to have appropriate clothing and equipment. On fully provisioned camping style treks we provide twin share dome or A frame sleeping tents, kitchen tent, mess tent, toilet tent, tables, chairs, stools, lanterns/candles, thin sleeping mattresses, all crockery and cutlery and a fully equipped kitchen set up. Upon booking with us we will send you a suggested clothing and equipment list appropriate to your trip including details of any must have items or items that can be hired (if required).

Baggage Allowance

We request that you aim for a maximum weight of 15 to 20 kg for your main baggage including clothing and personal equipment. Many of our trips involve porters and/or local flights and 15kg is the maximum safe weight allowance for porters and permitted on local flights. International flights will usually permit up to 20kg maximum weight. If trekking, some additional baggage can usually be stored until you return from your trek. Remember you may also want to leave some weight allowance for any items you have bought during your trip! The Himalayan Adventure Company and our local partners are not responsible for excess baggage charges.

Complimentary Himalayan Adventure Company Travel Gift

On confirmation of booking we will provide a complimentary Himalayan Adventure Company travel gift. In the past, gifts have included items such as trek bags and tshirts and vary each season, and we aim to provide useful gifts which can be used and enjoyed during your trip with us and afterwards. For clients living outside the UK will provide a complimentary gift on payment of post and packaging delivery only.

Passport and Visa Requirements

A full valid passport and a current visa is required for all trips and treks. Passports must have at least 6 months validity after the completion date of your trip. To secure your booking and avoid any additional charges, information (eg spelling of name) provided to us on your booking form must match exactly the details as shown in your passport.

To enter Nepal you will require a visa which can be obtained in advance from the Nepalese Embassy in London (UK applications) or on arrival at the airport in Kathmandu for a fee of US\$25 per person for a visa valid for up to 15 days stay in Nepal or US\$40 for a visa valid for up to 30 days. The visa process has changed in 2008 and all visas are now multiple entry which you will also need as you will leave then re-enter Nepal after your time in Bhutan. We will provide up to date information on visa requirements, costs and the application process on confirmation of your booking or on request.

To enter Bhutan you will need a separate visa valid for Bhutan. You will also need to bring 2 passport size photos which will be asked for on arrival at Paro airport and are used for your visa. No foreign

mission grants visas to enter Bhutan. Through our local representatives in Nepal we will make arrangements for your Bhutanese visa and entry requirements and may ask you to provide information relating to this up to 3 weeks or more in advance of travel. Your visa will be stamped on arrival in Bhutan and cleared in advance. The (current) visa fee is US\$20 (subject to change) and is included in your trip pricing. We will provide up to date information on visa requirements, costs and the application process on confirmation of your booking or on request. Any changes and higher costs to the visa fee will be passed on at the time of booking.

You are responsible for ensuring you have a valid passport and visa prior to departure. Where appropriate, we will arrange any special permits or visas required to visit specific restricted areas included as part of the itinerary whilst you are in the country and may request information from you to allow us to do this.

Permits

To enter certain areas e.g. National Parks or other trekking or protected areas, you may require a permit. All our trip prices include the cost of relevant permits and entrance fees. Where this is not the case, for example you have booked a tailor made private trip, we will inform you of any required permit fees before you make a booking with us.

Health and Medical Information

It is your responsibility to ensure you are well and fit enough to join the trip. If you are unsure of this please contact our office to talk it through with one of our experienced staff members. We also recommend you speak to your GP if you are in any way unsure of your fitness level required to join the trip. We also suggest you have a thorough medical and dental check up before you travel. You may need specific vaccinations appropriate to the country or area you will visit. You must tell us if you have an existing medical condition or disability that might affect your holiday before you make a booking with us. If, in our reasonable opinion, your chosen holiday is not suitable for your medical condition, disability or level of fitness, we reserve the right to cancel the contract or to suggest more appropriate alternative options for you. A group medical kit will be carried on each trip or trek but we also recommend that individuals carry their own basic first aid kit and we will send a suggested list of items for this when you make a booking.

For useful health and general travel advice and information we suggest you visit the Foreign and Commonwealth Office website at <http://www.fco.gov.uk/knowbeforeyougo> and also obtain a copy of the UK Department of Health leaflet *Advice on Health for Travellers* or speak to your local GP or practice nurse for their recommendations.
