### **Climate and Weather**

Nepal has a monsoonal two season year with the dry season from October to May and the wet season (monsoon) from June to September. From end September/start October to end November is one of the best times to visit. The vegetation is lush after the rains of the monsoon and the air is clean and fresh. The next best time to visit is February to April at the end of the dry season. It can be a little dusty at this time but the weather is warm and pleasant and its' a great time to see many wildflowers in bloom. December and January are still good in terms of climate and visibility but can be chilly particularly at higher altitudes as well as in the evening in Kathmandu. May and early June can be very hot and uncomfortable and mid June to September can be cloudy with poor visibility and muddy trails although some treks (rainshadow treks) can still be undertaken even during the monsoon.

### **Clothing and Equipment**

Generally lightweight to medium weight clothing in natural fabrics is best with warm clothing a must for chilly evenings and at high altitude. For visits to more remote areas including Everest Base Camp, a warm down jacket, hat and gloves are suitable. It's also useful to wear several layers of clothing as temperatures can change suddenly. To a large extent it depends where you plan to go and what you plan to do. For example during winter if you are on safari in the southern Terai region you'll need a tshirt. At the same time if you're in Kathamandu you'll probably need a jacket as well. And if you're at Everest Base Camp you'll need to be very well wrapped up. During the monsoon you'll need a light rain jacket. We also suggest you take comfortable walking shoes and a small day pack or shoulder bag as well as sunscreen, a hat and good sunglasses. In the mountains and at high altitude the weather can change rapidly so it is important to have appropriate clothing and equipment. Clothing is easily and cheaply available in Kathmandu so it's rarely a problem if you forget to pack something. On fully provisioned camping style treks we provide twin share dome or A frame sleeping tents, kitchen tent, mess tent, toilet tent, tables, chairs, stools, lanterns/candles, thin sleeping mattresses, all crockery and cutlery and a fully equipped kitchen set up. Upon booking with us we will send you a suggested clothing and equipment list appropriate to your trip including details of any must have items or items that can be hired (if required).

### **Baggage Allowance**

We request that you aim for a maximum weight of 15 to 20 kg for your main baggage including clothing and personal equipment. Many of our trips involve porters and/or local flights and 15kg is the maximum safe weight allowance for porters and permitted on local flights. International flights will usually permit up to 20kg maximum weight. If trekking, some additional baggage can usually be stored until you return from your trek. Remember you may also want to leave some weight allowance for any items you have bought during your trip! The Himalayan Adventure Company and our local partners are not responsible for excess baggage charges.

### **FREE Himalayan Adventure Company Travel Gift**

On confirmation of booking we will provide a complimentary travel gift (subject to availability). The gifts vary each year and past gifts have included trek bags and t-shirts. We aim to make the gifts useful during this and other travel adventures.

We will provide up to date information on visa requirements, costs and the application process on confirmation of your booking or on request.

You are responsible for ensuring you have a valid passport and visa prior to departure. Where appropriate, we will arrange any special permits or visas required to visit specific restricted areas included as part of the itinerary whilst you are in the country and may request information from you to allow us to do this.

### Permits

To enter certain areas e.g. National Parks or other trekking or protected areas, you may require a permit. All our trip prices include the cost of relevant permits and entrance fees. You may need specific vaccinations appropriate to the country or area you will visit. You must tell us if you have an existing medical condition or disability that might affect your holiday before you make a booking with us. If, in our reasonable opinion, your chosen holiday is not suitable for your medical condition, disability or level of fitness, we reserve the right to cancel the contract or to suggest more appropriate alternative options for you. A group medical kit will be carried on each trip or trek but we also recommend that individuals carry their own basic first aid kit and we will send a suggested list of items for this when you make a booking.

For useful health and general travel advice and information we suggest you visit the Foreign and Commonwealth Office website at <http://www.fco.gov.uk/knowbeforeyougo> and also obtain a copy of the UK Department of Health leaflet *Advice on Health for Travellers* or speak to your local GP or practice nurse for their recommendations.
