### **Day 02: Kathmandu and Valley**

After breakfast today it's time for a relaxed and easy walking tour to Kathmandu's central Durbar Square including visits to an ancient palace, the living goddess Kumari temple, Hanuman Dhoka and Kastamandap temple. From here we'll continue on to Swoyambhunath Stupa, also known as the Monkey Temple, with its fine views over Kathmandu and many interesting features as well as the great stupa itself. Join the devotees, pilgrims and wandering siddhus (holy men) at Pashupatinath. Pashupatinath is the most important Hindu temple in Nepal as well as being one of the most important Shiva temples on the subcontinent, situated on the banks of the holy Bagmati River. Take time to walk around Bodhnath (Boudha) stupa, the largest in Nepal and one of the largest in the world. Boudha is also the centre of Tibetan culture in Nepal and a wonderfully vibrant, interesting community. This evening we'll drive back to Kathmandu where we'll have a group briefing on what to expect when our trek begins tomorrow, a chance for you to ask any remaining questions and to meet your trek crew. The remainder of this evening is free for you to explore the surrounding area or simply relax at the hotel.

### **Day 03: Kathmandu to Phakding (2840m)**

After breakfast this morning we'll catch the local flight from Kathmandu to Lukla where our trek starts. ### **Day 05: Namche to Tengboche (3860m)**

After breakfast we'll start to follow the trail down the valley from Namche past numerous picturesque mani (prayer) walls and chortens to reach Tengboche where we'll rest overnight. ### **Flight Inclusive Price and International Flights**

The flight inclusive price is based on best available price (at the time of producing our current brochure) of economy return flights from the UK added to the 'land only' price. Flight prices are subject to change and do vary throughout the year. We use a variety of airlines and scheduled flights on our trips including British Airways, Air India, Gulf Air, Qatar Air etc. Our ATOL number is T7199 and we work with other ATOL holders to issue flight tickets. For exact air fares and flight classes available at the time you wish to travel please contact us.

### **Land Only Option**

Our trips are based on 'land only' as well as flight inclusive options to allow you the flexibility to choose to make your own arrangements for flights or perhaps to arrive a few days earlier or leave a few days later than the trip or to join the trip from anywhere in the world. If you choose the land only option we will provide full details of how and when to meet the rest of your group, details of your hotel and local contacts upon confirmation of your booking. All accommodation during your trip is included in the price although additional days before or after the start and end dates of your trip are not included. We are happy to book additional accommodation or optional activities, based on your requirements and budget, on request.

Please note that whilst at all times we aim to run our trip even with just a few persons, on some of the longer treks or trips, should the group size be less than our minimum operating level we may cancel the trip up to 6 weeks before departure. In the rare event that this happens, we will offer alternative dates or trips or refunds as appropriate and agreed with you. If you are arranging your own flights and accommodation prior to the start date of a group trip we recommend that you book fully flexible and refundable accommodation and transport if booking more than 6 weeks in advance, as should we need to cancel the trip compensation will not be paid for any arrangements that have been made independently.

### **Climate and Weather**

Nepal has a monsoonal two season year with the dry season from October to May and the wet season (monsoon) from June to September. From end September/start October to end November is one of the best times to visit. The vegetation is lush after the rains of the monsoon and the air is clean and fresh. The next best time to visit is February to April at the end of the dry season. It can be a little dusty at this time but the weather is warm and pleasant and it's a great time to see many wildflowers in bloom. December and January are still good in terms of climate and visibility but can be chilly particularly at higher altitudes as well as in the evening in Kathmandu. May and early June can be very hot and uncomfortable and mid June to September can be cloudy with poor visibility and muddy trails although some treks (rainshadow treks) can still be undertaken even during the monsoon.

### **Clothing and Equipment**

Generally lightweight to medium weight clothing in natural fabrics is best with warm clothing a must for chilly evenings and at high altitude. For visits to more remote areas including Everest Base Camp, a warm down jacket, hat and gloves are suitable. It's also useful to wear several layers of clothing as temperatures can change suddenly. To a large extent it depends where you plan to go and what you plan to do. For example during winter if you are on safari in the southern Terai region you'll need a tshirt. At the same time if you're in Kathmandu you'll probably need a jacket as well. And if you're at Everest

## itineraries

☎ 0845 094 0273

Base Camp you'll need to be very well wrapped up. During the monsoon you'll need a light rain jacket. We also suggest you take comfortable walking shoes and a small day pack or shoulder bag as well as sunscreen, a hat and good sunglasses. In the mountains and at high altitude the weather can change rapidly so it is important to have appropriate clothing and equipment. Clothing is easily and cheaply available in Kathmandu so it's rarely a problem if you forget to pack something. On fully provisioned camping style treks we provide twin share dome or A frame sleeping tents, kitchen tent, mess tent, toilet tent, tables, chairs, stools, lanterns/candles, thin sleeping mattresses, all crockery and cutlery and a fully equipped kitchen set up. Upon booking with us we will send you a suggested clothing and equipment list appropriate to your trip including details of any must have items or items that can be hired (if required).

### **Baggage Allowance**

We request that you aim for a maximum weight of 15 to 20 kg for your main baggage including clothing and personal equipment. Many of our trips involve porters and/or local flights and 15kg is the maximum safe weight allowance for porters and permitted on local flights. International flights will usually permit up to 20kg maximum weight. If trekking, some additional baggage can usually be stored until you return from your trek. Remember you may also want to leave some weight allowance for any items you have bought during your trip! The Himalayan Adventure Company and our local partners are not responsible for excess baggage charges.

### **FREE Himalayan Adventure Company Travel Gift**

On confirmation of booking we will provide a complimentary travel gift, gift may vary each year and previous gifts included Trek bag and t- shirt, gifts subject to availability. For clients living outside the UK will provide a free gift on payment of post and packaging delivery only

### **Passport and Visa Requirements**

A full valid passport and a current visa is required for all trips and treks. Passports must have at least 6 months validity after the completion date of your trip. To secure your booking and avoid any additional charges, information (e.g. spelling of name) provided to us on your booking form must match exactly the details as shown in your passport.

To enter Nepal you will require a visa which can be obtained in advance from the Royal Nepalese Embassy in London (UK applications) or on arrival at the airport in Kathmandu for a fee of US\$25. The visa process has changed in 2008 and all visas are now multiple entry which you will also need as you will leave then re-enter Nepal after your time in Bhutan. We will provide up to date information on visa requirements, costs and the application process on confirmation of your booking or on request.

You are responsible for ensuring you have a valid passport and visa prior to departure. Where appropriate, we will arrange any special permits or visas required to visit specific restricted areas included as part of the itinerary whilst you are in the country and may request information from you to allow us to do this.

### **Permits**

To enter certain areas e.g. National Parks or other trekking or protected areas, you may require a permit. All our trip prices include the cost of relevant permits and entrance fees. Where this is not the

case, for example you have booked a tailor made private trip, we will inform you of any required permit fees before you make a booking with us.

### Health and Medical Information

It is your responsibility to ensure you are well and fit enough to join the trip. If you are unsure of this please contact our office to talk it through with one of our experienced staff members. We also recommend you speak to your GP if you are in any way unsure of your fitness level required to join the trip. We also suggest you have a thorough medical and dental check up before you travel. You may need specific vaccinations appropriate to the country or area you will visit. You must tell us if you have an existing medical condition or disability that might affect your holiday before you make a booking with us. If, in our reasonable opinion, your chosen holiday is not suitable for your medical condition, disability or level of fitness, we reserve the right to cancel the contract or to suggest more appropriate alternative options for you. A group medical kit will be carried on each trip or trek but we also recommend that individuals carry their own basic first aid kit and we will send a suggested list of items for this when you make a booking.

For useful health and general travel advice and information we suggest you visit the Foreign and Commonwealth Office website at <http://www.fco.gov.uk/knowbeforeyougo> and also obtain a copy of the UK Department of Health leaflet *Advice on Health for Travellers* or speak to your local GP or practice nurse for their recommendations.
