accommodation and plenty of time to relax and enjoy the surroundings and magnificent Himalayan views.

Day 01: Arrive Kathmandu

Namaste and welcome to Nepal. You'll be met and assisted at the airport by our local representatives who will arrange your transfer and check in to your hotel. The remainder of the day is free to rest and relax until this evening when we'll all meet up for introductions and a group welcome dinner and chance to get to know your fellow travellers at a restaurant in the heart of Kathmandu, before turning in for a good night's rest at the hotel.

Day 02: Kathmandu and Valley

After breakfast today take time to enjoy a day of relaxed sightseeing on a guided tour of some of the highlights of Kathmandu and the surrounding Valley. We'll take a relaxed tour of Kathmandu city where we'll explore Kathmandu's central Durbar Square and visit an ancient palace, the living goddess Kumari temple as well as Hanuman Dhoka and Kastamandap temple. We'll visit Swoyambhunath Stupa, also known as the Monkey Temple, with its fine views over Kathmandu and many interesting features as well as the great stupa itself and of course the resident troupes of monkeys. Explore the ancient streets of Patan, the City of Fine Arts with its wonderful central square and myriad of temples and wonderful architecture. Later this afternoon we'll drive back to Kathmandu where the remainder of this evening is free for you to explore the surrounding area or simply relax at the hotel.

Day 03: Royal Chitwan National Park

Today we'll take a wonderfully scenic drive to the Royal Chitwan National Park, the most popular and easily accessible safari destination in Nepal. More than 43 species of animal are found in Chitwan including the endangered One-Horned Rhino, Royal Bengal Tiger, Ghariyal Crocodile, Four-Horned Antelope, Striped Hyena and the Gangetic Dolphin. Tomorrow we'll spend the day on safari and taking part in other jungle activities. Arriving at our resort lodge tonight we'll check in with the remainder of the evening free to relax.

Day 04: Royal Chitwan National Park

After breakfast this morning it's time for our jungle safari. We'll travel into the jungle by charter elephant, what's known as a 'silent safari' as it allows us to get close to the wild animals and birds living here without disturbing them. Some of the species we can expect to see include the rhino, antelope, hyena and if we're lucky the more elusive Royal Bengal Tiger. We'll also take a guided jungle walk and short canoe trip to learn more about the local wildlife in the park and a relaxing way to float down the river. This is the ideal way to see the many butterflies, birds and plant species en route. After our cultural program and safari it's time to return to the lodge for an evening relaxing and chatting.

Set in a beautiful remote location on the banks of the Kali Gandaki River the entire palace complex is stunning. It was constructed in 1892 AD by the then commander in chief and governor of Palpa, in memory of his beloved queen. The whole complex includes a huge main building surrounded by layered gardens and stone walls with a small shrine. We'll take some time to explore this magnificent structure and its surrounds as well as enjoy the tranquil location before heading back to our hotel in Tansen where we'll relax tonight.

Day 09: Tansen to Pokhara

Climate and Weather

Nepal has a monsoonal two season year with the dry season from October to May and the wet season (monsoon) from June to September. From end September/start October to end November is one of the best times to visit. The vegetation is lush after the rains of the monsoon and the air is clean and fresh. The next best time to visit is February to April at the end of the dry season. It can be a little dusty at this time but the weather is warm and pleasant and it's a great time to see many wildflowers in bloom. December and January are still good in terms of climate and visibility but can be chilly particularly at higher altitudes as well as in the evening in Kathmandu. May and early June can be very hot and uncomfortable and mid June to September can be cloudy with poor visibility and muddy trails although some treks (rainshadow treks) can still be undertaken even during the monsoon.

Clothing and Equipment

Generally lightweight to medium weight clothing in natural fabrics is best with warm clothing a must for chilly evenings and at high altitude. For visits to more remote areas including Everest Base Camp, a warm down jacket, hat and gloves are suitable. It's also useful to wear several layers of clothing as temperatures can change suddenly. To a large extent it depends where you plan to go and what you plan to do. For example during winter if you are on safari in the southern Terai region you'll need a tshirt. At the same time if you're in Kathmandu you'll probably need a jacket as well. And if you're at Everest Base Camp you'll need to be very well wrapped up. During the monsoon you'll need a light rain jacket. We also suggest you take comfortable walking shoes and a small day pack or shoulder bag as well as sunscreen, a hat and good sunglasses. In the mountains and at high altitude the weather can change rapidly so it is important to have appropriate clothing and equipment. Clothing is easily and cheaply available in Kathmandu so it's rarely a problem if you forget to pack something. On fully provisioned camping style treks we provide twin share dome or A frame sleeping tents, kitchen tent, mess tent, toilet tent, tables, chairs, stools, lanterns/candles, thin sleeping mattresses, all crockery and cutlery and a fully equipped kitchen set up. Upon booking with us we will send you a suggested clothing and equipment list appropriate to your trip including details of any must have items or items that can be hired (if required).

Baggage Allowance

We request that you aim for a maximum weight of 15 to 20 kg for your main baggage including clothing and personal equipment. Many of our trips involve porters and/or local flights and 15kg is the maximum safe weight allowance for porters and permitted on local flights. International flights will usually permit up to 20kg maximum weight. If trekking, some additional baggage can usually be stored until you return from your trek. Remember you may also want to leave some weight allowance for any items you have

bought during your trip! The Himalayan Adventure Company and our local partners are not responsible for excess baggage charges.

FREE Himalayan Adventure Company Trek Bag

On confirmation of booking we will provide a FREE Himalayan Adventure Company trek bag. For clients living outside the UK will provide a free bag on payment of post and packaging delivery only

Passport and Visa Requirements

A full valid passport and a current visa is required for all trips and treks. Passports must have at least 6 months validity after the completion date of your trip. To secure your booking and avoid any additional charges, information (eg spelling of name) provided to us on your booking form must match exactly the details as shown in your passport.

To enter Nepal you will require a visa which can be obtained in advance from the Royal Nepalese Embassy in London (UK applications) or on arrival at the airport in Kathmandu for a fee of US\$30. Single-entry tourist visas are valid for up to 60 days and can be extended to a maximum of three months for an additional charge. We will provide up to date information on visa requirements, costs and the application process on confirmation of your booking or on request.

You are responsible for ensuring you have a valid passport and visa prior to departure. Where appropriate, we will arrange any special permits or visas required to visit specific restricted areas included as part of the itinerary whilst you are in the country and may request information from you to allow us to do this.

Permits

To enter certain areas e.g. National Parks or other trekking or protected areas, you may require a permit. All our trip prices include the cost of relevant permits and entrance fees. Where this is not the case, for example you have booked a tailor made private trip, we will inform you of any required permit fees before you make a booking with us.

Health and Medical Information

It is your responsibility to ensure you are well and fit enough to join the trip. If you are unsure of this please contact our office to talk it through with one of our experienced staff members. We also recommend you speak to your GP if you are in any way unsure of your fitness level required to join the trip. We also suggest you have a thorough medical and dental check up before you travel. You may need specific vaccinations appropriate to the country or area you will visit. You must tell us if you have an existing medical condition or disability that might affect your holiday before you make a booking with us. If, in our reasonable opinion, your chosen holiday is not suitable for your medical condition, disability or level of fitness, we reserve the right to cancel the contract or to suggest more appropriate alternative options for you. A group medical kit will be carried on each trip or trek but we also recommend that individuals carry their own basic first aid kit and we will send a suggested list of items for this when you make a booking.
