After our rafting experience (around 3 hours) we'll continue our journey as we drive through the beautiful Nepalese countryside to reach the lakeside resort of Pokhara. Pokhara is the place to be and one of the best places to relax in Nepal as well as the starting point for many treks and adventure activities. It's an enchanting town of remarkable beauty and a laid back atmosphere, nestled in a lush tranquil valley on the shores of Lake Phewa against a stunning backdrop of the Annapurna range and the dominating presence of Machhapuchhre. ### **Climate and Weather**

Nepal has a monsoonal two season year with the dry season from October to May and the wet season (monsoon) from June to September. From end September/start October to end November is one of the best times to visit. The vegetation is lush after the rains of the monsoon and the air is clean and fresh. The next best time to visit is February to April at the end of the dry season. It can be a little dusty at this time but the weather is warm and pleasant and its' a great time to see many wildflowers in bloom. December and January are still good in terms of climate and visibility but can be chilly particularly at higher altitudes as well as in the evening in Kathmandu. May and early June can be very hot and uncomfortable and mid June to September can be cloudy with poor visibility and muddy trails although some treks (rainshadow treks) can still be undertaken even during the monsoon.

Between May and early November are some of the best times to visit Tibet. Before and after these times the temperatures can get very low, particularly at night and in Western Tibet. May and June are pleasant but you may encounter small short lived dust storms and a wind factor. Lhasa and Shigatse in particular have very mild weather between May and November although the months of July and August can be quite rainy.

### **Clothing and Equipment**

Generally lightweight to medium weight clothing in natural fabrics is best with warm clothing a must for the evenings and winter. For travel around Lhasa and Shigatse a warm jacket or windbreaker should be fine. For visits to more remote areas including Everest Base Camp, a warm down jacket, hat and gloves are suitable. It's also useful to wear several layers of clothing as temperatures can change suddenly. We also suggest you take comfortable walking shoes and a small day pack or shoulder bag. In the mountains and at high altitude the weather can change rapidly so it is important to have appropriate clothing and equipment. Upon booking with us we will send you a suggested clothing and equipment list appropriate to your trip including details of any must have items or items that can be hired (if required).

### **Baggage Allowance**

We request that you aim for a maximum weight of 15 to 20 kg for your main baggage including clothing and personal equipment. Many of our trips involve porters and/or local flights and 15kg is the maximum safe weight allowance for porters and permitted on local flights. International flights will usually permit up to 20kg maximum weight. If trekking, some additional baggage can usually be stored until you return from your trek. Remember you may also want to leave some weight allowance for any items you have bought during your trip! The Himalayan Adventure Company and our local partners are not responsible for excess baggage charges.

### Complimentary Himalayan Adventure Company Travel Gift

On confirmation of booking we will provide a complimentary Himalayan Adventure Company travel gift. In the past, gifts have included items such as trek bags and t-shirts and vary each season, and we aim to provide useful gifts which can be used and enjoyed during your trip with us and afterwards. ### Passport and Visa Requirements

A full valid passport and a current visa is required for all trips and treks. Passports must have at least 6 months validity after the completion date of your trip. To secure your booking and avoid any additional charges, information (eg spelling of name) provided to us on your booking form must match exactly the details as shown in your passport.

To enter Nepal you will require a visa which can be obtained in advance from the Royal Nepalese Embassy in London (UK applications) or on arrival at the airport in Kathmandu for a fee of US\$25 for a visa valid up to 15 days or US\$40 for up to 30 days stay.. The visa process has changed in 2008 and all visas are now multiple entry. We will provide up to date information on visa requirements, costs and the application process on confirmation of your booking or on request.

To enter Tibet all foreign travellers are required to have a separate visa valid for Tibet as well as a Tibetan Tourist Visa. Permit and visa regulations for Tibet are subject to change on a yearly and sometimes monthly basis. Through our local representatives in Nepal we will make arrangements for your Tibetan visa and entry requirements, as issued by the Tibetan Tourism Authority under the Chinese authorities who control all visas and permits and travel to and within Tibet. The Chinese Authorities have recently changed the visa fees and processing time for travel to Tibet for 2010 which are now as follows.

VISA TYPE	Normal	Urgent	Top Urgent
US PASSPORT HOLDER	US\$144 (approx GBP£89)	US\$166 (approx GBP£103)	US\$200 (approx GBP£124)
OTHER NATIONALITY e.g. British passport holders	US\$60 (approx GBP£37)	US\$82 (approx GBP£51)	US\$114 (approx GBP£71)
*Please note visa fee is charged in GBP at the equivalent rate to the US dollar fee valid at the time of booking*			

For all of the Tibet visa fees above we require a clear copy of each traveller's passport at least 10 days in advance to begin the application process. The hard copy of your passport must then be handed over after arrival in Kathmandu for the final stage of processing and visa stamp. If the passport hard is handed over to us on or before 7 working days ahead of departure time for Tibet the Normal Visa Fee will apply. If we receive your passport 5 days ahead of departure time the Urgent Visa Fees will apply and if it's 2 days ahead the Top Urgent Visa Fees will apply. These visa/permit fees are set by the Chinese authorities and are subject to change. As part of our service we arrange at no extra cost your Tibet visa/permit and collect the applicable visa fees on behalf of the Chinese authorities as required.

We will provide up to date information on visa requirements, costs and the application process on confirmation of your booking or on request.

You are responsible for ensuring you have a valid passport and visa prior to departure. Where appropriate, we will arrange any special permits or visas required to visit specific restricted areas included as part of the itinerary whilst you are in the country and may request information from you to allow us to do this.

### Permits

To enter certain areas e.g. National Parks or other trekking or protected areas, you may require a permit. All our trip prices include the cost of relevant permits and entrance fees. ### Health and Medical Information

It is your responsibility to ensure you are well and fit enough to join the trip. If you are unsure of this please contact our office to talk it through with one of our experienced staff members. We also recommend you speak to your GP if you are in any way unsure of your fitness level required to join the trip. We also suggest you have a thorough medical and dental check up before you travel. You may need specific vaccinations appropriate to the country or area you will visit. You must tell us if you have an existing medical condition or disability that might affect your holiday before you make a booking with us. If, in our reasonable opinion, your chosen holiday is not suitable for your medical condition, disability or level of fitness, we reserve the right to cancel the contract or to suggest more appropriate alternative options for you. A group medical kit will be carried on each trip or trek but we also recommend that individuals carry their own basic first aid kit and we will send a suggested list of items for this when you make a booking.

**Please note that Tibet remains one of the most captivating but least developed part of the world and facilities for tourists can be quite basic and limited although are being continually improved. Travel in Tibet is an adventure involving high altitude, at times rough roads and can be strenuous. We will put every effort into making your journey as comfortable and enjoyable as possible but emphasize that travel in Tibet requires a willingness to accept flexibility and a spirit of adventure. If you are unsure that this type of travel is suitable for you please consider this carefully or speak to one of our office team before making a booking.**

For useful health and general travel advice and information we suggest you visit the Foreign and Commonwealth Office website at <http://www.fco.gov.uk/knowbeforeyougo> and also obtain a copy of the UK Department of Health leaflet *Advice on Health for Travellers* or speak to your local GP or practice nurse for their recommendations.
